

Veterinary Clinics Vet Med join the LuxVet Group

LuxVet Group is dynamically expanding its presence in the Masovian Voivodeship by adding two new facilities to its network: the 24/7 VET MED Veterinary Clinic and the VET MED Veterinary Office.

Vet Med Veterinary Clinic with facilities in Brwinów at ul. Grodziska 46 and in Błonie at ul. Kolejowa 5, will develop with the support of the LuxVet Group. The facility in Brwinów provides 24/7 medical care, thanks to which pet owners in the region can count on help at any time.

The Vet Med team consists of 29 veterinarians specializing in surgery, orthopedics, neurology, cardiology, internal medicine, as well as 6 veterinary technicians and 4 administration employees. With fully equipped consultation rooms, a surgical room, X-ray/ultrasound and a diagnostic laboratory, Vet Med provides comprehensive veterinary care for various animal species. As part of its hospital service, Vet Med specializes in the treatment of chronically ill animals and performing urgent procedures.

“Our team consists of veterinary enthusiasts who attach great importance to an individual approach to each patient. We focus on a pleasant atmosphere so that the visit to the clinic is as stress-free as possible for the animal. We provide precise diagnostics, effective treatment and high-quality prevention. Thanks to joining the LuxVet Group, we will be able to exchange medical knowledge and achieve professional goals even better”, says Małgorzata Guzowska, the founder of the facility.

The LuxVet Group will provide support in the area of administration and accounting, operations, procurement, HR and recruitment, IT support and marketing. The team will have access to the Group’s training and knowledge exchange program and will receive private medical care.

About the LuxVet Group

The Group has been consolidating and developing the Polish veterinary sector through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector across Poland.

The Group has secured capital support from investment funds: Cheyne Strategic Value Credit ("Cheyne SVC"), part of Cheyne Capital, a global leader in alternative investments; Petcare Growth Fund, managed by 1 Asset Management, an investor in the largest network of veterinary clinics in the Baltic countries, funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
