

## Another facility in Grodzisk Mazowiecki joined the LuxVet Group

The LuxVet Group has welcomed another veterinary facility to its ranks – the VETIKA Veterinary Clinic.

The clinic is located at 9 Kilińskiego Street in Grodzisk Mazowiecki, where a team of 12 veterinarians and 3 veterinary technicians provides services mainly in the field of surgery, orthopedics, cardiology, ophthalmology and dentistry. The motto of the Vetika Clinic is "Animal welfare is our passion", which reflects the commitment of the staff to provide full

support and professional care for animals and their owners.

The facility has 2 consultation rooms, an operating room equipped with modern medical equipment, guaranteeing safe and effective surgical procedures, a radiological laboratory, equipped with X-ray and ultrasound equipment, enabling precise diagnostics and quick assessment of animal health, and a dental office with full equipment, including a dental unit.

*- VETIKA veterinary clinic is a place where passion for animals drives every day of our work. We treat our patients like family members and our determination to provide them with the best care is boundless. Together with the team, we have created a place that exudes care and empathy. Every pet owner will find peace of mind with us, knowing that his beloved friend receives the best care we can provide. Veterinary medicine for us is not only a profession, it is a vocation. Every day we develop our knowledge to be up to date with the latest medical discoveries and technologies that enable us to provide comprehensive and modern care. We are convinced that the partnership with the LuxVet Group will bring many benefits to both our clinic and our patients. Thanks to cooperation, we can use the*

*latest medical solutions and continuous improvement of our skills.* – says Veterinarian Olga Malec, the founder of the facility.

By integrating with the LuxVet Group, the Facility will receive support in the areas of administration and accounting, operations, procurement, human resources and recruitment, IT support and marketing. By joining the network, the Facility will be able to provide even better care for patients, as it will join forces with other Group facilities in joint operations. Through a program of knowledge and experience sharing and participation in training, it will be possible to expand services and improve each other.

#### **About the LuxVet Group**

The Group has been consolidating and developing the Polish veterinary sector through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector across Poland.

The Group has secured capital support from three investment funds: Oaktree Capital Management as the majority shareholder (which is also a shareholder in UNAVETS Group, a similar veterinary platform in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
