Specialist Veterinary Clinic Tomasz Dmuchała in the LuxVet Group

Specialist Veterinary Clinic Tomasz Dmuchała is a valued veterinary center that has been providing highly specialized assistance for animals since 2016. The facility is located at 12A Paprykowa Street in Gdynia Dąbrowa.

In a friendly place for patients and their owners, a team of enthusiasts and specialists provides comprehensive health and pro-health care. The team consists of 5 veterinarians, 5 veterinary technicians and 4 administrative staff. The clinic offers a wide range of services in areas such as orthopedics, surgery, neurology, cardiology, dermatology, oncology, nephrology, internal medicine and emergency care. With modern diagnostic equipment, including computed tomography, the facility focuses on the highest quality and professionalism in the treatment and care of animals.

- By working with us, pet owners can be sure that their pets are in the best hands. Our dedicated staff always puts the patient's well-being first and takes all possible measures to provide them with the best care. We are convinced that cooperation with the LuxVet Group will bring many benefits to both our clinic and our patients. Our common goal is to provide the highest level of veterinary care and meet the needs and expectations of animals and their owners. – says Tomasz Dmuchała, the founder of the facility.

The LuxVet Group will provide support in the area of administration and accounting, operations, procurement, HR and recruitment, IT support and marketing. The team will have access to the Group's training and knowledge exchange program and will receive private medical care.

About the LuxVet Group

The Group has been consolidating and developing the Polish veterinary sector through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector across Poland.

The Group has secured capital support from three investment funds: Oaktree Capital Management as the majority shareholder (which is also a shareholder in UNAVETS Group, a similar veterinary platform in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
