

## **Specialist Veterinary Clinic of Veterinarian Mateusz Gola in the LuxVet Group**

**The LuxVet Group is consolidating its position in the Lower Silesia Region. Following the signing of an agreement, the Group was joined by Specialist Veterinary Clinic of Veterinarian Mateusz Gola.**

Specialist Veterinary Clinic of Veterinarian Mateusz Gola is situated in Wrocław at Żernicka 215. The clinic has four veterinary doctors, who provide laboratory and imaging diagnostics, such as blood tests, x-rays and ultrasound tests, as well as treatment, including surgical procedures.

*“By joining the LuxVet Group, our clinic will be able to develop and expand the range of specialist services we offer to our clients. We will also become part of the LuxVet community, which actively shares knowledge, improves qualifications through training and works together to create new veterinary standards in Poland,”* says Mateusz Gola, DVM, the clinic’s founder.

The LuxVet Group will also support the facility in accounting, administration, operating activities, procurement, IT, and marketing. The team will also have access to training and an employee benefit package.

### **About the LuxVet Group**

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from three investment funds: funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
