

## **Ampułka Veterinary Clinic joins the LuxVet Group**

**The LuxVet Group is consolidating its position in the Mazowsze Region. The Group has just been joined by the Ampułka Specialist Veterinary Clinic, one of the best-known facilities in Mińsk Mazowiecki.**

Ampułka has been in business for 15 years and is one of the best-known veterinary clinics in Mińsk Mazowiecki. Located at ul. Świętokrzyska 30, the facility treats and prevents internal diseases, provides radiological diagnostics, dentistry, orthopedic surgery and physiotherapy for companion animals. Ampułka also provides care to exotic animals.

The team, with Veterinarian Agata Przetakiewicz at its core, has 11 doctors, a physiotherapist, 2 technicians and an administrative employee. The dedication of the entire staff and their love for animals is reflected in the facility's motto: "By saving the life of each patient, we save the world for them and their caregivers. And we will continue to do so. Because we love what we do." That is why Ampułka is committed to improving the skills of its staff and investing in specialized diagnostic and therapeutic equipment, such as ultrasound, X-ray (direct, digital, and intraoral), endoscope, professional dental unit, inhalation anesthesia machine, and a set for veterinary electrotherapy and magnetotherapy.

*"Our clinic is a combination of long and rich history, timeless love for animals, as well as modernity expressed in innovative treatment methods. As a result, we are able to create the best possible conditions for our patients. Joining the LuxVet Group will allow us not only to continue on this mission, but also to grow further in line with our values,"* says Veterinarian Agata Przetakiewicz, founder of the clinic.

The LuxVet Group will support the facility in administration activities, accounting, procurement, IT support, and marketing. The team will obtain access to an employee benefit package (medical care, sports card) and free training available on the LuxVet training platform.

### **About the LuxVet Group**

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from three investment funds: funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
