## **Bajeczna Veterinary Clinic joins the LuxVet Group**

**The LuxVet Group continues to consolidate its position in the Małopolska Region. The Bajeczna Veterinary Clinic has just joined the Group. This is the Group's third facility in Kraków.**

The clinic is located at ul. Bajeczna 1 in the Grzegórzki district of Kraków. Its founders are veterinarians Bartosz Stawowski and Maciej Reyman.

The team consists of 16 people: 9 doctors, 5 technicians and 2 office employees. It includes the following specialists: an ophthalmologist, a dentist, an orthopedist, a dermatologist, cardiologists, a neurologist, general and specialized surgeons and internists.

The clinic has modern diagnostic and surgical equipment, including X-ray, ultrasound, high-quality inhaled anesthesia machines, an ophthalmic surgery microscope, endoscopy equipment, and a CO<sub>2</sub> laser.

The facility offers veterinary consultations (also to patients from other facilities) and advanced surgical procedures in ophthalmology, dentistry, orthopedics, abdominal surgery, laryngeal surgery, BOAS procedures and laparoscopy.

There is also a pet store on site.

*"Bajeczna is a place where we want to provide our patients with the most comprehensive care possible. This is why we are committed to keeping our team up-to-date with innovative solutions and best practices in treatment and patient care."* says doctor Maciej Reyman.

*"Joining the LuxVet Group will make it easier for our facility to continue its growth and give it access to solutions that will increase the comfort of work for the entire team,"* adds doctor Bartosz Stawowski.

One of them will be the expansion of the facility by about 80 sqm, which will enable further development and increase comfort for clients and patients. The LuxVet Group will support the facility

in the area of administration, accounting, procurement, IT, and marketing. In addition, the team will obtain access to an employee benefit package (medical care, sports card) and free training available on the LuxVet training platform.

### **About the LuxVet Group**

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from three investment funds: funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
