## **Kraków-based Multivet joins the LuxVet Group**

**LuxVet Group welcomes another veterinary facility from Krakow. Animal clinic Multivet has signed an agreement to join the Group.**

Multivet is located at Feliksa Konecznego 6/12u in Kraków. The stated priority of the facility founded

by veterinarians Wojciech Tłustochowicz and Tomasz Szostok is “patient safety and nurturing post-operative care”. The team, which consists of 6 doctors, 3 technicians and 2 administrative personnel, offers a wide range of preventive and diagnostic services, as well as consultations and procedures in the fields of cardiology, orthopedics, soft surgery, dermatology, dentistry, neurology, ophthalmology and reproduction.

The facility has modern diagnostic equipment (CT scanner, ECG, echocardiographic machine, ultrasound, X-ray, dental X-ray, endoscope) and inhaled anesthesia equipment.

Clients can also obtain nutritional advice and purchase pet food, supplements and accessories on site.

*“We strive to provide our patients with the highest level of safety and comfort, both during the procedures and in post-operative care. Therefore it is equally as important for us to constantly improve the skills of our team as it is to have access to state-of-the-art equipment,”* says veterinarian Wojciech Tłustochowicz.

*“Joining the LuxVet Group gives our employees access to a wide range of free training courses and the opportunity to exchange knowledge with teams from other clinics within the Group. Additionally, the administrative support provided by the Group will allow us to focus even more on our patients,”* adds doctor Tomasz Szostok.

The LuxVet Group will support the clinic in the area of, among others, accounting , procurement, IT, and marketing. The team will also obtain access to an employee benefit package (medical care, sports card).

### **About the LuxVet Group**

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from three investment funds: funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
