

Zalesie Veterinary Clinic joins LuxVet Group

The LuxVet Group is consolidating its position in the Podkarpacie Region. The Zalesie Veterinary Clinic in Rzeszów has just joined the Group.

The Zalesie Veterinary Clinic is located at ul. Łukasiewicza 2B in Rzeszów. Founded by veterinarians Joanna and Grzegorz Janicki, the team currently consists of 6 veterinarians, 3 technicians and one assistant.

The facility provides services in the area of: prevention, internal medicine, surgery, anesthesiology, cardiology, dermatology, endoscopy, ophthalmology, orthopedics, pediatrics and reproduction. Laboratory diagnostics is performed in its own fully-equipped diagnostic laboratory and also in cooperation with external Polish and European veterinary laboratories. Zalesie also owns diagnostic imaging equipment, including a CT scanner, X-ray and ultrasound.

"From the very beginning, when we created and developed Zalesie, we have focused not only on the quality of our services, but also on the comfort of and friendly approach to our patients." says Dr. Joanna Janicka.

"By joining LuxVet, we will be able to continue working according to these principles, and thanks to the support of the Group, we will gain new opportunities for the development and training of our employees." adds Dr. Grzegorz Janicki.

The Zalesie team will have access to free training offered as part of the LuxVet training platform, and to an employee benefit package (medical care, sports card). Additionally, the LuxVet Group will also support the facility in administration activities, accounting, procurement, IT support, and marketing.

About the LuxVet Group

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first hospital for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from three investment funds: funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
