

Kwilcz Veterinary Clinic Joins LuxVet Group

LuxVet Group proudly welcomes Kwilcz Veterinary Clinic to its growing family.

Located at ul. Usługowa 2, the clinic has earned a reputation as one of the most trusted and best-equipped veterinary centers in the region. Founded by Veterinarian Jarosław Węgrzyn, a highly respected orthopedic specialist with years of clinical expertise, the clinic has become a trusted name in veterinary care for both pet owners and breeders in the area.

The team consists of three veterinarians, two veterinary technicians, and experienced reception staff. With modern diagnostic equipment including X-ray and ultrasound, the clinic is able to provide a wide range of high quality services, from internal medicine to advanced surgical and orthopedic procedures, tailored to each patient's needs.

"From day one, our priorities have been quality, commitment, and a personal approach to every case. Joining the LuxVet Group is a strategic step toward growth – giving us access to organizational support, training, technology, and a nationwide exchange of knowledge, while allowing us to maintain our independence and close-knit community ties," says veterinarian Jarosław Węgrzyn, founder of the clinic.

As part of LuxVet Group, the clinic will receive comprehensive support in administration, accounting, procurement, IT, and marketing.

About the LuxVet Group

The Group has been consolidating and developing the veterinary sector in Central and Eastern Europe through a flexible partnership business model based on respect for the past achievements of the entities being integrated. By working with doctors and owners of leading animal health institutions and building its first clinic for small animals in Poland, the LuxVet Group develops top quality veterinarian services and raises the standards of work in the veterinary sector.

The Group has secured capital support from investment funds: Cheyne Strategic Value Credit ("Cheyne SVC"), part of Cheyne Capital, a global leader in alternative investments; Petcare Growth Fund, managed by 1 Asset Management, an investor in the largest network of veterinary clinics in the Baltic countries, funds managed by Oaktree Capital Management L.P. as (the majority shareholder, which is also a shareholder in UNAVETS Group, a veterinary platform similar to LuxVet and a market leader in the Iberian Peninsula), Cornerstone Investment Management and INVL Baltic Sea Growth Fund.
